NEW YORK HEALTH PLAN ASSOCIATION ON MONKEYPOX COVERAGE
Statement by Eric Linzer, HPA President & CEO

“Health plans support the state’s efforts to take swift action to address the monkeypox outbreak and protect the health of all New Yorkers. Our members are committed to working with the Administration and our partners in the provider community to combat this public health crisis and ensure that patients have access to the care they need, including testing, vaccination and treatment.”

-30-

The New York Health Plan Association represents 29 managed care health plans that provide comprehensive health care services to more than 8 million New Yorkers.
